bethemystery@aol.com

The Sacred Healing Violet Ray Workshop is directed through a Divine Presence with the intent in opening and balancing the seven seals (chakras) of the physical and subtle sheaths. Breath, sacred sounds, visualization and projection all link together with the assistance of the angels and the living geometries.

The Limitless Light embraces everyone and our Tree of Life is further activated.

What gently occurs is the opening and recognition of our own purpose
and transformation as superluminal Light.

5 STEPS

Preparation for the Limitless Light

Generational Healing Ceremony

(Bring photos or a list for family healing)

Meditation – “Age of the Holy Spirit”

Sacred Healing Breath “Vehicle of Violet Light” Expansion Hour
